

HARLEQUINS CLUB ONLY AND SECOND CLAIM MEMBERSHIP 2017

It is hoped that anyone who partakes in orienteering regularly will **join British Orienteering** whose public liability insurance will apply to all events registered with them. This can be done by logging on to the British Orienteering web site and completing the details in the "Join Now" section. In which case **do not use this form**. As a 'club only' member your public liability insurance will be limited to your first 3 events, after which, if you wish to be insured, you will have to provide your own, e.g. through your home insurance.

There are three level of fees only as detailed below;

If you join during November and December then you will be paid up until December the following year.

- **Senior: £5.00**, (anyone aged 21 or more on 31st December in the year of joining)
- **Junior: £1.00**, (anyone aged 20 or less on 31st December in the year of joining)
- **Group / Organisation: £14.00**

All members will receive **Adhoc** by email. Those wishing to also receive a **paper copy** through the post will be required to "opt in" and pay **£10** to cover the costs of printing and postage by completing the last part of the table below.

Please complete one form per family and appropriate the correct fee level per person

- Protection of young and vulnerable people: HOC likes to include photographs of members in Ad Hoc, on the website and in publicity material. I have no objection to members of my family being photographed and identified in Ad Hoc.

Events are run by club members who receive half price entry to that event. If you are not yet on the helpers' list and are willing to help occasionally please advise which tasks you would want to assist with.
