Event Details

Competitors can enter individually or in pairs in each year class. Boys and girls will compete on the same course but will be separately classified in the results. Mixed pairs are allowed but they will be classified as boys. The courses will be planned to the lower end of the British Orienteering guidelines for the appropriate colour.

Prizes will be awarded as follows:

- Medals awarded for best boy or pair and girl or pair in each year class.
- Trophies awarded to the best school team on each course.
A school team is defined as 4 runs on the course (a pair counts as 1 run). Pupils may run up one school year if necessary to fill a team.
- Participation Certificates for all competitors
