

QUESLETT 25/9/10

Thanks for coming, and for those of you on the Orange, thanks for braving Birmingham's deepest jungle! For photos see <http://reentrant.wordpress.com/2010/09/26/the-orange-is-always-too-hard/>  
Thanks to Jack Mushing at the Queslett Park Golf Centre, who lets us use his car park. Thanks too to Keith Linnecor, the Friends of the Nature Reserve, and the Parks Department. The reserve has its own blog at <http://queslettnaturereserve.blogspot.com/>

### **Future events**

Please pass on the news that fun orienteering sessions will be taking place at Witton Lakes for the next few Tuesdays, followed by an event there on Saturday 16<sup>th</sup> October. For more details see <http://www.harlequins.org.uk/fixtures.html>

For a list or leaflet of all events in the West Midlands region, see <http://www.wmoa.org.uk/fixtures.html>

### **Badge schemes**

Young people can participate in the eXplorer challenge scheme, getting one point for every control visited (up to a maximum per day). This doesn't have to be at an event like this one, it can also be at a permanent orienteering course like the ones in Sutton Park, Barr Beacon or Sandwell Valley.

Download your points collecting card at

<http://www.bsoa.org/default.aspx?plain=YY&PID=XPLOR>

The other badge scheme is open to all orienteers. Get within the badge time on a particular colour course at three events to get your badge. If there's anything else you want to know (not just about badges) please let me know.

See you soon,

Adrian Bailey (HOC)
