

Longdon Wood WML event 14<sup>th</sup> February 2016

Organiser's comments:

A big thank you to everyone who attended this event, whether to compete or help or both. A strong team of helpers, and good weather, always make the organiser's task a pleasant one. A special mention for the cooperation to those few competitors who could not be accommodated on the car park field because of the extent of the saturated ground and who had to be directed elsewhere.

Lost property:

One black fleecy Buff-type apparel found at one of the control sites. Anyone wishing to claim this item should text or phone me on 07815 707618.
