Notes

Not a normal SEE.

Three courses; the Marx course, the Engels course, the Lenin course. Each course is about the same length, with the same number of controls with each control on a similar feature.

You can do one, two or three courses but they **MUST** be done as a Pair. You change partner when you change course.

There will be a mass start at 6.30. If you arrive after 6.30 you can start with an available partner but the timing will be from 6.30.

There will be the same number of maps as partnerships. Expect queues!
