

Habberley Valley Summer Evening Event

Thursday, 12th April 2007

Directions: Make your way to B4190, which goes between Bewdley and Franche (which is on the north side of Kidderminster). The entrance to Habberley Valley is signed at Grid Reference SO804767, which is about 2Km north east of Bewdley.

Terrain: A compact area, which always offers more navigational challenges than you might expect. Well worth the trip!

Map: 1:5,000 by David Williams, updated by Alison Sloman. If you let the organiser know you are coming by Sunday before then you will get a reserved pre-marked map.

Courses: Orange, Green and Blue. Yellow on request.

Registration/Starts: 17:30 to 18:45ish (the sun sets at 20:00 BST - Chris McSweeney may wish to bring a headtorch)

Fees: Adults £2, Juniors 50p. (unless the committee tell me different)

Facilities: None.

Organiser: David Williams (see HOC home page for email)

Safety Notes: There are many crags in this area. Some of these are potentially hazardous, though courses will be planned to avoid undue risk. However, competitors are responsible for their own safety, and take part at their own risk.

Please remember your whistle!
