

# **Baggeridge Country Park SEE**

## **Thursday 15 May 2008**

Yes the same venue as the West Midland School Champs on 10 March. Compare your times to the kids and lets see how good you are. (Unfortunately the courses will be different).

There will be a bit of a **Sprint** event after your run, just in case you have anything left in your legs. I will need a bit of help to operate this on the day, all help gratefully received.

Please note I have not planned for a **Yellow**. If I get more than 3 takers for a Yellow I will try and put one on. If you need an **Orange** please let me know by email before the event, so I have an idea of the number of maps.

**Parking** at the visitor centre. It is well signposted off the main Sedgely to Wombourne road the A463. £1.20 parking fee!

**Terrain**, Well it has some contours, woods, open areas, streams, ponds and lots of orchids. Its actually quite nice considering it was once a coal mine.

**Facilities**, I am hoping we will have the use of the **toilets**.

**Starts** will be from the fenced off scout area just in front of the rangers office and toilets.

Start **Times** 6 to 7 pm.

**Fees** £2 adult's 50p juniors
