Terrain The northernmost part of the Malvern Hills. Very steep in places. Vegetation varies: rabbit cropped sward, rough grassland, summer bracken, regenerating woodland, thorn scrub and mature forest. Lots of paths and some rock features. Not at its most runnable in June!

Map Surveyed at 1:15000 (might be printed at 1:10000)

I hope to have pre-marked maps but come prepared to mark up if necessary

Courses

Blue, Green, Orange

Fees Adults £2, Juniors 50p.

Facilities: None.

Notes Bearing in mind the terrain and the amount of vegetation, the format of the courses may be non-standard, but I promise no Sudoku or map memory.

Please remember your whistle!
