Notes

Callow Hill is a Forestry Commission site with good network of footpaths with intervening runnable/ slow runnable forest. Map has been updated by Alison Sloman for the event but forestry work is taking place meaning that close attention to contour detail is necessary in some areas.

Pub of the evening for post-run debriefing and refreshment is the Duke William which will be serving simple meals until 9pm. This is about 400m to the west of the entrance to the Visitor Centre car park on the left hand side of the A456.
