

HARLEQUINS ORIENTEERING CLUB

Summer Evening Event

Date: Thursday 21st May 2009

Terrain: Habberley Valley is an exquisite area with a mass of rock and contour features. What it lacks in size is more than compensated by quality - it always provides more navigational challenges than you might expect. Well worth the trip!

Start Times: 18.00 – 19.00 or thereabouts. The Organiser is very relaxed.

Car park Grid Reference: SO804767

Directions: Make your way to B4190, which goes between Bewdley and Franche (which is on the north-west side of Kidderminster). The entrance to Habberley Valley is signed at Grid Reference SO804767, which is about 2Km north east of Bewdley.

Courses

Standard SEE courses (Orangeish, Greenish, Blueish). See HOC web site http://www.harlequins.org.uk/leagues_see.html

NB. Please contact the organiser / planner a few days in advance if you wish to run Yellow or Orange.

Fees: £3 / £1

Organiser / Planner: Robert Vickers

Email: rvhoc-habberley@yahoo.co.uk

Phone: 01384 377008

Facilities: There aren't any!

Important Safety Notes: There are many crags in this area. Some of these are potentially hazardous, though courses will be planned to avoid undue risk. However, competitors are responsible for their own safety, and take part at their own risk. The area has a vulnerable reptile population, and adders are present in places, so out-of-bounds areas must be observed. You are unlikely to encounter reptiles (they are shy), but you must avoid interfering with them if you do.

Please remember your whistle!
