Harlequins Orienteering Club

Invite you to a summer series event

At

Old Hills

(Callow End, Worcestershire, WR2 4TQ)

on

SATURDAY 13th MAY 2017

Orienteering in
Worcester, Hereford,
South Shropshire,
Black Country and
Birmingham.

Venue & Travel

The venue is Old Hills Common and New Coppice close to Callow End on the B4224 Worcester to Upton on Severn road, postcode WR2 4TQ. Grid reference: SO 829487 **NOTE - this weekend is the Malvern Spring Gardening Show so take extra care and allow more journey time as roads will be busy with show traffic.**

Parking:

Car parking will be signed from the B4224. We are using the northern most car park of the two car parks on the common. Orienteers car parking will be on the common through the public car park. Care should be taken when turning into the car park when approaching from the north. Registration is within 100m of car parking. Donation £1 for parking.

Terrain:

A mix of grassland, scrub and woodland. The event uses Malvern Hills Conservators common land and is well visited by members of the public.

Map:

A4 map at 1:10,000 Scale(s), updated February 2017 by Brian Hughes.

Courses:

There are two courses an orange for families and juniors and a green course as part of the summer series. Controls are taken in order and will each be worth 10 points. Controls can be missed out but any taken out of sequence will not count. For example, 1-2-3-5-6 scores 50 but 1-2-5-3-6 only scores 40 because 3 was taken out of sequence. The time limit will be 45 minutes. Any time over this will be penalised at the rate of 1 point for each 6 seconds or part thereof late. The fastest may possibly clear all controls just inside the time limit but for most it will be a matter of deciding which ones to miss or when to quit and head for the finish.
