**Courses:**

There is one course and controls are taken in order and will each be worth 10 points. Controls can be missed out but any taken out of sequence will not count. For example, 1-2-3-5-6 scores 50 but 1-2-5-3-6 only scores 40 because 3 was taken out of sequence. The time limit will be 1 hour. Any time over this will be penalised at the rate of 1 point for each 6 seconds or part thereof late. The fastest may possible clear all controls just inside the time limit, but for most it will be a matter of deciding which ones to miss or when to quit and head for the finish.
