Thanks for those who helped me with this event; David for the map, Alison for helping me with OCAD corrections, Andy W for recording, and Andy and Marian, Peter and Alison for collecting controls. Above all, thanks to **Robert Rose**; he spotted the clash with the Champions Trophy Semi-final ... some ridiculous affair which would probably attract even more spectators than the Cannon Hill Park Summer-Evening Event. Without him, we would all have turned up to find thousands of cars packing MY original carpark!

As I hung the controls not 200 metres from the cricket-ground, and heard cheer after cheer as India smashed their way to victory, I smiled and looked forward to a peaceful event starting from the other end of the park.
