* control out of sequence

Comments; I think the course I planned was too long. Be interesting to know if David Williams could have got nearer to clearing all the controls. Didn't allow enough for summer vegetation growth. I see Robert R was the only person to visit control 14 (no undergrowth there!) and only 2 visited control 10. Congratulation to Alex on winning though Andy J visited more controls. Many thanks for all the offers for control collection and to Marian, Andy W, Andy H, Robert R, Alex, Sebastian and Arthur M who did the actual collection. Also thanks to Andy J and Kerstin for helping to clearup. All done in time before the barrier closed. What a shame about the Severn Trent water problem shutting the loos and preventing the pub supplying food.
