## **Midweek Night Score Event**

### **Callow Hill**

Tuesday February 12<sup>th</sup>, 2008

- Parking:** GR SO 749739 Lane just west of the Visitors Centre entrance, marked "Authorised Vehicles Only" or similar. Limited parking, so please park efficiently.
- Directions:** From Kidderminster, take the A456 West towards Bewdley. Follow the bypass around Bewdley (note, there may be long delays due to road works by the Safari Park), then continue up the hill. 3 miles west of Bewdley, parking is on the right, just after the signpost to the Wyre Forest Visitors Centre.  
From the south, you may wish to go via Stourport and the B4195 to avoid the road works between Kidderminster and Bewdley.
- Terrain:** Mix of deciduous and evergreen woodland with several streams. Mostly quite runnable at this time of year, and I've tried to keep you out of the worst bits.
- Map:** 1:10000 pre-marked but not bagged.
- Format:** One hour score with varying values for the controls depending on difficulty/distance. Penalty of 10 points per minute or part minute late. Pin punching will be used.  
For beginners, controls 1-7 form a 1.7km course of orange standard.
- Starts/Fees:** 6:00pm to 7:00pm. £3 Adults and £1 Juniors.
- Facilities:** Tent complete with lights. No toilets (those at the visitors centre should be open until 6pm).
- NOTE:** Whistles are compulsory.
- Planner:** Richard Dearden
- Organiser:** Richard Dearden 07849 953 686, email [richard.dearden@gmail.com](mailto:richard.dearden@gmail.com)
